## Staging and presentation facility design: Various

With decades of experience in all aspects of professional theater production and administration, as well as extensive knowledge of large-scale corporate presentation technology, FernCreek is uniquely qualified to stage business events of all sizes. This skill set applies equally well to design and development of presentation facilities.

**IBM annual sales meeting.** Stage and show design.

**Greenville Chamber of Commerce annual meeting.** Event design, production, direction.

**Furman University Welcome Center** lobby (above) and presentation room (below). Presentation concept/design and design of interactive system design.

**Days Inn annual meeting.** Event design, production, direction.

**Charlotte Convention Center grand opening show.**
